**QUESTIONS TO DIRECT
OUR LEARNING**

Teacher questions:

What is our body?
What does it look like and how does it work?
What types of food and drinks do our bodies need?
What types of activities keep our bodies healthy?
How do we keep our bodies safe and protected?
What do we need when our bodies are sick?
How are we like our family members?

SONGS

I have
You have a body
One finger one thumb
Heads and shoulders
I can walk as fast as you
Got to get up in the morning
Nicholas Ned
Them Bones

**ACTIVITIES TO SUPPORT
OUR LEARNING**
